Real Living named one of *Entrepreneur* Magazine's Top New Franchises for 2006!

Real Living ranked 23rd out of 50 for top new franchises and 360th in *Entrepreneur's* Franchise 500 for 2006!

COLUMBUS, OH - (January 4, 2006) – Real Living, Inc., the fifth-largest residential real estate firm and 2005 Most Innovative Real Estate Brokerage in the United States, announced its most recent recognition of being ranked 23rd out of 50 for top new franchises and 360th in *Entrepreneur's* Franchise 500 for 2006!

2005 was Real Living's third year as a national franchisor and expanded its market presence in ten states, experiencing a 50-percent growth in its franchise operations for the year.

Harley E. Rouda, Jr., CEO and managing partner of Real Living, Inc., said, "Although 2005's growth was impressive, it does not compare to the growth we are planning to experience in 2006. As we continue to revolutionize our state-of-the-art agent toolset, we are also launching a new consumer platform in March that will enhance the consumer experience when working with a Real Living agent. The bottom line: Real Living will have the tools to grow our franchises in an ever-changing market – which will be the perfect opportunity for other brokerages to franchise with us."

Existing markets of growth for Real Living were primarily in Southwest Florida, Central Texas and Northwest Ohio. Real Living's new market growth was in South Carolina, Indiana, Michigan, Wisconsin and West Virginia. The largest growth period was in the fourth quarter, entering the downtown Chicago market place with three new franchise offices.
